Hi Hoshaiiah,

I am working at home. Would you like to touch base on anything today? I owe you a sit down to go over the details about the Aerovox shoreline work that we've done and on the ongoing state 21E cleanup being performed by AVX, responsible party at the former Aerovox facility site.

If you'd like to discuss some of that today I am available now until about noontime. I'll see you tomorrow but it is unlikely that we will get to discuss much. I will be in the office next Tuesday the 6th and am pretty open all day. Just let me know about today and your availability for next Tuesday. My cell phone number is

Ex. 6 - Personal Privacy

Thanks,

Elaine

Hi Hoshaiah – We'll have to reschedule our briefing at 10 am tomorrow morning to another day. I need to review the AVX Phase III report prior to the 11 am meeting and need to get some correspondence out in the afternoon. I'll see you at the 11 am meeting and we can set up a new date/time after adjournment.

Thanks,

Elaine

Hi Hoshaiah,

Turns out today that I have ongoing repairs to my car but I'll be in the office on Thursday. I'm available from 10 to 11 am and from 1:30 to 3 pm in the afternoon to give you the lowdown on this site. Just let me know if these times work for you and if not what time in your weekly schedule would work. I WAH on Mon and Weds.

Thanks,

Elaine
